### MINORITY REPORT.

It is well that we hear both sides of a question In yesterday's JOURNAL we published the report of the majority of the Joint Special Committee on the State Prison at Reno The minority report dissents from the conclusions of the majority that those having charge of the construction of the new prison have wasted the State's money, and declares the State has received value for all the money expended The report is signed by Senator Ross What is better, figures are submitted showing the value of work done, together with the cost of land, necessary buildings erected to accommodate workmen shops and offices, as well as material on hand, to wit. Estimate of G Haist, foundation wall $29,520 25; cost of land (260 acres) $3,318 75, expenses of Prison Commissioners during several visits, $441, surveying land, $130, three months salary of Superintendent $1 000, clearing land of brush and stone, $1,620, cost of grading roads to quarries, four miles long, $3,900, cost of making three miles of water ditch, $400, cost of boarding-house, 40x60 feet, $850, cost of blacksmith shop, two forges $500; cost of tool house, 12x20 feet, $100; cost of office, drafting room and bed-room, $400, cost of barn, 32x50 feet, $430, cost of permanent lime-house, 16x32 feet, $500, cost of grading one half mile of railroad track, $500; cost of 2,000 perch quarried stone, at 50 cents per perch $1,000, cost of 7,000 yards screened sand, at 10 cents per yard, $700, cost of 15,000 feet of lumber, at $18 per M, $278; cost of 50 tons lime, $895, cost of 15 barrels cement, $94 50 cost of 30 tons mixed mortar, $500, value of tools on hand, as per keeper's inventory, schedule marked "C $1,773 60; two horses, harness and truck, $800; extra expense timbering trench, on account of quicksand and excavating, $1,000, Total, $50,771 10 As pertinent to the subject under discussion we publish in another column a card from S F Hoole, under whose direction the work was performed It is a plain candid document, and entitled to consideration And we call upon the majority of the Joint Special Committee to continue their investigations, and show when and by whom the State has been robbed of $15,000 If there has been any stealing going on the guilty party or parties should be exposed, and punished We want no "whitewashing" But let the Committee make good their assertions That is what they are paid for

### "MUCH ADO ABOUT NOTHIN."

EDITOR JOURNAL —In refering to the majority report of the Committee of Investigation on Nevada State Prison at Reno, I will say if it is true that I have applied $15,000 of the State money to my own use or have misapplied that or any other amount of money, a proper regard for the interest of the State should have compelled the majority of that Committee to have established the fact They charge indirectly that I have squandered $15 000 I say it is false, in letter and in spirit, and assert there was no evidence before that Committee on which to bare so malignant a falsehood Neither is there any evidence in the land either circumstantial or positive, to sustain in the least degree these unjust conclusions Upon the contrary I assert that no unprejudiced committee can take the evidence and honestly make such a report It is contrary to the facts as they exist, and to the evidence before the Committee In conclusion I challenge investigation and ask that it be free and open, divested of the star chamber feature of the former investigation, and if there has been corruption in the operations of any part of this work let it be shown and punished as it deserves or if the work has been properly and judiciously performed a proper sense of justice would require that a committee should so report I protest against a committee informing correspondents of San Francisco papers a week before the investigation "that the superintendent of construction will receive a scorching report"

#### West Virginia Senator—Minnesota Senator—Another Credit Mobilier.

CHICAGO, Feb 18

The election of Caperton, Senator from West Virginia yesterday, is said to have been the result of a compromise between the friends and opponents of Capital removal—the southern and eastern portion of the State being conciliated for the removal of the Capital to Wheeling by giving them the Senatorship

In the Minnesota Legislature yesterday Lochran, Dem, increased his total vote by two Independent Republicans, who it is said were won over by a letter from Lochren defining his political faith, which was read in joint convention yesterday, and in which, while favoring the resumption of specie payments as soon as practicable, and a tariff for revenue only, he avows himself a strong nationalist

Boston dispatches give an account of a meeting of stockholders of the Chicago, Dubuque and Minnesota, and Chicago, Clinton and Dubuque Railroads there yesterday, at which the report of a committee previously appointed to investigate the management of the three roads was received The report says the Directors of the roads formed a construction company on the Credit Mobilier plan, bargained with themselves to build the roads and having completed them absorbed the bonds and many thousand acres of valuable lands, to the aggregate amount put by the committee at one and a quarter million dollars The Directors are J K Graves, a well known railroad man of Dubuque, J A Rhomberg also of Dubuque J M Walker, Chicago, J F Joy, Detroit, Nathan Thayer, J M Brooks and Sidney Bartlett, Boston The high standing of all these parties adds to the sensation created by these alleged disclosures Joy who was present made a long defense himself and the other Directors which was not however, well received, and resolutions were adopted expressing the regret of the bondholders at hearing a report of such gross mismanagement and with explanations on important points which the parties responsible for it have chosen to give, also requesting the committee to persist in the effort to get from the Directors of the river roads and other sources such information as they deem necessary, to take the best legal advice as to a remedy and when ready call another meeting for further action

#### Beecher-Tilton

NEW YORK, Feb 18

In the Beecher trial this morning Tilton was again called to the stand and questioned by Shearman relative to his sending off Mrs Tilton's things to her after she went to Ovington's He testified to having told Kate McDonald, an old servant in his house to send several trunks of his wife's things to her after she left Witness was shown and recognized photographs of Doctors Storrs, Taylor and Leavitt and Horace Greeley but could not say he gave them to his wife These portraits of Dr Storrs did not find a closet that I knew of, they are fresh and clean and may have been bought in Fulton street yesterday for all I know Witness told Kate McDonald Mrs Tilton could have anything in the house she wanted by sending for it Tilton then vacated the stand and Geo A Bell, a member of Plymouth Church was sworn He testified being at Assistant Pastor Halliday's when Tilton came there one day. They all talked about the so called scandal

### DR. A. B. SPINNEY.

WELL KNOWN throughout the country as a Pathologist and Physiologist whose successful treatment of certain physical disabilities and functional derangements deservedly entitled him to the familiar recognition of the GREAT SPECIALIST would respectfully inform the citizens of Virginia City Nevada, and vicinity that he can be consulted at No 188 South C street, Virginia seven doors north of the French Drug Store, at his office, thus giving invalids an opportunity of ridding themselves through his professional agency of such constitutional annoyances and ailments as he claims to compass and to cure Without entering into biographical details it is sufficient to simply promulgate the fact that DR SPINNEY'S earliest reputation may be traced back to his inauguration and conduct of the Montreal (Canada East) Medical Institute The regime of the English Pharmaceutical Colleges is gauged by an elevated standard An extended experience and an assiduous study of the varied phases of disease enables him to guarantee assurance of success in the eradication of the multiform chronic affections incident to both sexes such as Nervous Debility Exhausted Vitality Youthful Excesses Marriage Impediments Chronic and General Affections

#### TO THE LADIES.

DR SPINNEY while naturally impressed with the delicacy of the subject feels no hesitancy in assuring them that in conjunction with a competent knowledge of their various sufferings such as Nervousness Neuralgia Spinal Weakness Loss of Appetite, Lassitude Prolapsus Uteri Retroversions or Displacement of the Womb Vaginal Irregularities Leuchorrea Dyspepsia Indigestion Constipation and the many petty irritating distractions that almost invariably have their origin in the uterine region, afford them immediate relief

#### YOUNG MEN,

Who may be suffering from the effects of youthful follies or indiscretion will do well to avail themselves of this the greatest boon ever laid at the altar of suffering humanity DR SPINNEY will guarantee to forfeit five hundred dollars for every case of seminal weakness or private disease of any kind or character which he undertakes and fails to cure He would therefore say to the unfortunate sufferer who may read this notice that you are treading upon dangerous ground when you longer delay in seeking the proper remedy for your complaint You may be in the first stage remember you are approaching the last If you are bordering upon the last and are suffering some or all of its evil effects remember that if you obstinately persist in procrastination the time must come when the most skillful physicians can render you no assistance when the door of hope will be closed against you, when no angel of mercy can bring you relief In no case has the Doctor failed of success Then let not despair work itself upon your imagination but avail yourself of the beneficial results of his treatment before your case is beyond the reach of medical skill or before grim death hurries you to a premature grave

#### COME AND BE HEALED.

It matters not what your trouble may be come and let the Doctor examine your case It will cost you nothing for consultation so please call and satisfy yourself whether the Doctor understands your case If he can cure you he will tell you so, if not he will say so for he will not undertake a case unless he is confident of effecting a cure

#### MIDDLE-AGED MEN.

There are many of the age of thirty to sixty who are troubled with too frequent evacuation of the bladder often accompanied by a slight smarting or burning sensation and a weakening of the system in a manner the patient cannot account for on examining the urinary deposits a ropy sediment will often be found and sometimes small particles of albumen will appear or the color will be of a thin and milkish hue again changing to a dark and torpid appearance There are many men who die of this difficulty ignorant of the cause which is the second stage of seminal weakness Dr S will guarantee a perfect cure in all such cases and a healthy restoration of the genito urinary organs

N B—Only an interview required in a majority of cases Balance of treatment can be conducted at home without interruption of business No cases treated without a personal interview and proper examination Office hours—10 to 12 2 to 4 and 7 to 8 Consultation Free Examination and advice $5 s3 tf

A GOOD SUGGESTION.—The advice given by our evening cotemporary that "Persons having books, magazines, or newspapers that they have done with, can make good use of them by donating them to the inmates of the County Hospital; affording them a means of passing away the tedious hours of their confinement," is well-timed, and we hope will be profited by.

ASSESSMENT.—The Silver Hill Mining Company have levied an assessment of $2 per share on their capital stock. It was necessary to do this in order to pay for their new machinery and raise a sum with which to pursue their deep explorations. Some boys we know of in Reno are compelled to contribute to the prosecution of work on the Comstock. They don't care, though.

OFFICERS.—At the annual meeting of the Mineral Chief and St. Louis Mining Companies, held day before yesterday, T. K. Hymers, M. Lippman, D. Lachman, T. Gallagher and L. D. Wicks were elected Trustees. Subsequently T. K. Hymers was elected President and M. Lippman, Secretary.

"FISHY."—The party of Renoites—Chamberlain, Stoddard, Myers, Seaton and Pryor—who went on a fishing excursion to Independence Lake, returned yesterday. They caught 450 pounds of splendid trout; having a jolly time generally. We go in June.

TUNNEL CONTRACT.—Bids will be received at the store of Walker, Knust & Co., for completing the tunnel of the Truckee Ophir Gold and Silver Mining Company, one hundred feet more. See ad.

TERPSICHOREAN.—A meeting of the Terpsichorean Social Club is called for to-morrow evening at 7 o'clock, at Dyer's Hall. Probably with the view of giving a social dance Washington's Birthday. Hope so.

R. & A. M.—All Royal Arch Masons in good standing are requested to meet at Masonic Hall, Reno, on Monday, February 22nd. Important business. *

THE Reno Water Company has just levied an assessment of 50 cents per share.

MRS. MARBLE'S entertainment at Dyer's Hall, last evening, was very nice, and those who failed to attend missed a very choice selection of rare things.

THAT jolly old coon, Phi Bates, came in from the North last evening. He reports everything quiet.

A CALL.—We received a call from Will Edwards, one of the proprietors of the *Truckee Republican*.

He deals in stationery, candy, confectionery, cigars and tobacco, and other useful articles. By close attention to business, and by giving a man his money's worth, he expects to command patronage. Give him a call.

MUSIC.—Conrad Zick gives notice in another column that he is prepared to furnish music, and also to give instructions on the guitar and brass instruments. Orders left at the Marysville saloon will be promptly attended to.

NOTICE.—Mr. Nels. Greenman is no longer our authorized agent. Our patrons will govern themselves accordingly. SU LEE & Co. *

SURGERY.—It is no longer necessary for the afflicted who need surgical aid to go to the "coast," as they have now in Reno one of the most skillful surgeons in the United States. Dr. A. J. Grover has no superior on the Pacific slope as a successful surgeon. He gaurantees the most perfect satisfaction in all cases that are within the reach of surgical skill. Also gives special attention to chronic diseases. *

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA

A PROCLAMATION

Whereas a general convention of friendship commerce and extradition between the United States of America and the Orange Free State was concluded and signed by their respective plenipotentiaries at Bloemfontein on the twenty second day of December, one thousand eight hundred and seventy one, which general convention is word for word as follows

GENERAL CONVENTION OF FRIENDSHIP, COMMERCE AND EXTRADITION BETWEEN THE UNITED STATES OF AMERICA AND THE ORANGE FREE STATE

The United States of America and the Orange Free State, equally animated by the desire to draw more closely the bonds of friendship which so happily exist between the two republics as well as to augment, by all the means at their disposal, the commercial intercourse of their respective citizens have mutually resolved to conclude a general convention of friendship commerce and extradition

For this purpose they have appointed as their plenipotentiaries to wit: The President of the United States William W Edgcomb special agent of the United States and their consul at the Cape of Good Hope and the President of the Orange Free State Friedrich K Hohne Government Secretary, who after a communication of their respective full powers have agreed to the following articles

ARTICLE I

The citizens of the United States of America and the citizens of the Orange Free State shall be admitted and treated upon a footing of reciprocal equality in the two countries where such admission and treatment shall not conflict with the constitution or legal provisions of the contracting parties. In the absence of such heir heirs or other successors the same care shall be taken by the authorities for the preservation of the property that would be taken for the preservation of the property of a native of the same country until the lawful proprietor shall have had time to take measures for possessing himself of the same

But in case real estate situated within the territories of one of the contracting parties should fall to the citizen of the other party who, on account of his being an alien could not be permitted to hold such property, there shall be accorded to the said heir or other successor such term as the laws will permit to sell such property he shall be at liberty at all times to withdraw and export the proceeds thereof without difficulty, and without paying [illegible] other charges than those which would be paid by an inhabitant of the country in which the real estate may be situated

ARTICLE IV

In their private and business transactions consuls and vice consuls shall be submitted to the same laws and usages as private individuals citizens of the place in which they reside

It is hereby understood that in case of offence against the laws by a consul or vice consul the government from which [illegible] his exequatur may withdraw the same [illegible] away from the country, or have him punished in conformity with the laws, assigning to the other government its reasons for so doing

Provided that this shall be done only when the fact of the commission of the crime shall be so established as to justify their apprehension and commitment for trial if the crime had been committed in the country where the person so accused shall be found

Convention between the United States of America and the Republic of Ecuador Naturalization Concluded May 6 1872 Ratification advised by Senate May 28 1872 Ratified by President May 31 1872 Ratified by President of Ecuador September 30 1873 Ratifications exchanged at Washington November 6, 1873 Proclaimed November 24 1873

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA

A PROCLAMATION

Whereas a convention between the United States of America and the Republic of Ecuador relative to the naturalization of citizens of the two countries was concluded and signed by their respective Plenipotentiaries at the city of Washington on the sixth day of May 1872 the original of which convention being in the English and Spanish languages is word for word as follows

The United States of America and the Republic of Ecuador being desirous of regulating the citizenship of persons who emigrate from Ecuador to the United States and from the United States to the Republic of Ecuador have decided to treat on this subject and for this purpose have named their respective Plenipotentiaries to wit the President of the United States Hamilton Fish Secretary of State and the President of the Republic of Ecuador Don Antonio Flores accredited as Minister Resident of that Republic to the Government of the United States who after having communicated to each other their respective full powers found in good and due form, have agreed upon the following articles

ARTICLE 1ST

Each of the two Republics shall recognize as naturalized citizens of the other those persons who shall have been therein duly naturalized after having resided uninterruptedly in their adopted country as long as may be required by its institution or laws

This article shall apply as well to those already naturalized in the countries of either of the contracting parties as to those who may be hereafter naturalized

ARTICLE 2ND

If a naturalized citizen of either country shall renew his residence in that where he was born without an intention of returning to that where he was naturalized he shall be held to have reassumed the obligations of his original citizenship and to have renounced that which he had obtained by naturalization

ARTICLE 3RD

A residence of more than two years in the native country of a naturalized citizen shall be construed as an intention on his part to stay there without returning to that where he was naturalized. This presumption however may be rebutted by evidence to the contrary

ARTICLE 4TH

Naturalized citizens of either country on returning to that where they were born shall be subject to trial and punishment according to the laws for offences committed before their emigration saving always the limitations established by law

ARTICLE 5TH

A declaration of intention to become a citizen shall not have the effect of naturalization

ARTICLE 6TH

The present convention shall go into effect immediately on the exchange of ratifications and it shall remain in force for ten years. If neither of the contracting parties shall have given to the other six months previous notice of its intention to terminate the same, it shall further remain in force until twelve months after one of the contracting parties shall have given notice to the other of such intention

ARTICLE 7TH

The present convention shall be ratified by the President of the United States by and with the advice and consent of the Senate thereof and by the President of the Republic of Ecuador, with the approval of the Congress of that Republic and the ratifications shall be exchanged at Washington within eighteen months from the date hereof
